

## **Suszy Lessof**

**Director of Management at the European Observatory on Health Systems and Policies**

Suszy Lessof is Coordinator of the European Observatory on Health Systems and Policies.

She is based in Brussels and is responsible for country monitoring and related initiatives and knowledge brokering as well as work planning, budget management, staffing, reporting to partners and supporting the implementation of policy and strategy.

Prior to joining the Observatory Suszy worked on national standards in public health and in evaluation and had managed capacity-building initiatives in eastern Europe as well as the Health Services Management MSc at the London School of Hygiene & Tropical Medicine.

Her background is in community economic development and urban regeneration, and she has an MBA from City University.
