

Professor Billie Giles-Corti is an RMIT Distinguished Professor and a Vice Chancellor's Professorial Fellow. For over two decades, she and a multi-disciplinary research team have been studying the impact of the built environment on health and wellbeing. She currently leads the Healthy Liveable Cities Lab in RMIT's Centre for Urban Research and is a Chief Investigator of The Australian Prevention Partnership Centre hosted by the Sax Institute. She has published over 400 articles, book chapters and reports, and by citations, is ranked in the top 1% of researchers in her field globally.
