

Nino Sharashidze

Nino Sharashidze is a Technical Officer at the WHO European Centre for Environment and Health in Bonn, Germany. She coordinates the WHO Regional Office for Europe participation in the joint WHO/UNECE secretariat of the Transport Health and Environment pan-European programme (THE PEP), with a special focus on the promotion of active mobility. Before joining WHO, Nino worked at the United Nations Economic Commission for Europe and in the past she had worked as a Deputy Minister of Environment of Georgia. With more than 20 years of work experience in the governmental and inter-governmental sectors at the national and international level, Nino's areas of interest and expertise are streamlining environment and health aspects into different sectoral policies.
