

Nino Künzli, MD PhD  
Head Bachelor-Master-Doctorate Unit Swiss Tropical and Public Health Institute  
(Swiss TPH), Basel,  
Dean of the Swiss School of Public Health (SSPH+), Switzerland.  
Professor for Public Health University of Basel

With an MD from the University of Basel and both an MPH and a PhD from University of California Berkeley (USA), Nino Künzli has a 30 year record of research in air pollution and health. Appointed as Associate Professor to the University of Southern California (2002-2005) and as ICREA Professor Barcelona (2006-2009) his research focus includes ambient air pollution exposure science, epidemiology and the integration of both into health impact assessment to serve policy makers. He is engaged in teaching and training on the graduate, PhD, and postgraduate level. Künzli regularly serves on policy-relevant committees such as WHO or as President of the Swiss Federal Commission on Air Hygiene – the advisory board of the Swiss Government. Since 2020, he is member of the Scientific Advisory Board of the Climate and Clean Air Coalition (CCAC). 2016-2021 he served on the WHO Air Quality Guideline Development Group.
