

Prof. Emiliano Albanese

**Professor of Public Health, Università della Svizzera italiana (USI);
Professor of Public Mental Health, University of Geneva**

Emiliano Albanese is a physician specialized in public health and an epidemiologist with over two decades of experience in global and public mental health. His work has focused on conducting epidemiological and policy research, as well as conceiving, designing, and teaching both basic and advanced high-level courses and programs. He serves as Director of the WHO Collaborating Centre for Research and Training in Mental Health at the Faculty of Medicine, University of Geneva.

In addition, he leads the Institute of Public Health at the Faculty of Biomedical Sciences of the Università della Svizzera italiana in Lugano. Since 2015, he has been a member of the Foundation Board of the Swiss School of Public Health. He is based in Ticino, at Università della Svizzera italiana, where he directs the Institute of Public Health in the faculty of Bio-Medicine.
