

Jürgen StremLOW

Professor and project manager

Lucerne University of Applied Sciences and Arts (HSLU)

Jürgen StremLOW, a social worker and sociologist (Dr. phil.), is a lecturer and project manager at Lucerne University of Applied Sciences and Arts – Social Work. His areas of expertise lie in the planning and management of services and provision in the fields of elderly care, addiction and disability policy. He also addresses issues relating to integrated care and collaboration between the social and health care sectors. In addition, he heads the Development and Coordination Office of the Central Switzerland Health Cluster.
